11th Annual National Conference of PediSTARS on Healthcare Simulation

Pre-Conference Simulation Workshop 22nd August 2026

STEP Workshop

Simulation Training in Emergency Pediatrics

STEP is a dynamic, one-day, simulation-based workshop designed to empower healthcare professionals with the essential skills to effectively manage pediatric emergencies in high-stakes clinical settings.

Blending high fidelity simulation with hands-on learning, STEP focuses on critical thinking, rapid decision-making, teamwork, and clinical preparedness—bridging the gap between knowledge and real-world practice.
